

WSRA Auction Donation Form

The Washington State Recycling Association (WSRA) is a 501(c) 6 nonprofit coalition of businesses, governments, nonprofits, and individuals committed to expanding and diversifying recycling and waste prevention in Washington State. WSRA provides its 500+ members with opportunities to grow, develop new skills and learn best practices, mentor one another, and build business relationships through seminars, recycling facility tours, networking events, and other career development meetings.

Every year WSRA holds a live and silent auction at our annual conference to cover the costs of our student grant program, speaker fees, recycling education programs, and general operating expenses. This year our auctions will be held at the Double Tree Hilton, in Spokane, WA on April 28th – May 1st, 2019.

We ask companies and individuals in our community to help support our organization with a donation to the live or silent auction. All donors will be recognized on auction bidding sheets, brochure, and item promotion on our website and through social media.
